

March 26, 07.

To the leaders, the scouts of  
Troop 100; and the "Mom's",

Thank you for your annual  
spaghetti dinner that you served  
to our Town seniors. We look  
forward to this treat each year.

It was a delicious dinner,  
and we do enjoy the hospitality  
of both young and older.

We appreciate your hard  
work and the dedication to  
keep this event going. It has  
become quite popular with us!

The boys are polite, and  
pleasant to be with. It's a  
tribute to their leaders and  
parents.

Many thanks again to all  
that helped.

Sincerely,

Barbara Christie Ch.  
Council of Aging.
