What Will My Son Do at Camp Resolute?

Your Scout will have an active, challenging and education week or more at Camp Resolute. He will be living in a two person canvas tent erected on a wooden platform. Cots and 4 inch thick mattresses are provided. He will be in a campsite with the rest of his troop.

Depending on his age, activities may include kayaking, swimming, climbing, rappelling, AquaLaunch, horse back riding and our low and/or high ropes challenge courses. In addition, he will be working on Scouting advancement. Boys attending Camp Resolute for the first time often enroll in our Resolute Recruits First Year Camper instructional courses. There are sessions designed to help new Scouts learn and work toward earning their Tenderfoot, Second Class or First Class ranks. Camp Resolute also offers over forty merit badges that are sure to challenge Scouts of any experience level.

He will also sleep and eat. The food is great and there is lots of it. Boys start each date at 7:00 AM and lights out is at 10:00 each evening. During those hours he will be having the time of his life in a tremendous setting with caring, qualified staff.

General Information

Check-In

You should ask your Troop Leader when and where to assemble for Check-In. Typically, troops meet in the camp parking lot so that all members are ready to enter camp together promptly at 1:00 p.m. (no sooner please!). The formed troop will then proceed to its campsite after the gate is opened at 1:00 p.m. Vehicles should be parked in parking lot areas only. No private vehicles will be allowed on the camp road. Exceptions for disabled persons can be arranged in advance with the Camp Director.

Family members are welcome to accompany troops to their campsites and help settle their Scouts in. Please no animals. Most family pets are not accustomed to the volume of people and the level of activity that a camp of our size generates. For the safety of your pet and others at camp, please leave your pets at home when you bring your Scout to camp.

Scouts arriving after their troop has entered camp should report to the Administration Building (first building on the right after passing through the gate) to be checked in and escorted to their troop's location.

Check-Out

Unit Leaders, Scouts and Parents are encouraged to attend closing activities that include the Chicken Barbecue (6:30 p.m. Friday night), followed by a Formal Parade and Retreat and the closing campfire...a memorable ending to a memorable week at camp. Folks leaving early will miss Unit Awards, Honor Camper Awards and Scout achievement awards which are distributed at the campfire.

Check with your Scout's Unit Leader to find out how to obtain your son's personal gear. He/she should be able to tell you where it is, how, and when to get it. Please make sure that your Scout is being met by you or knows how he is getting home. We are not able to provide supervision for individual Scouts overnight after the campfire.

Emergencies, Visitors, and Scouts Leaving Camp

Parents/guardians picking up Scouts during the week should do so by checking in at the Administration Building. All Scouts leaving must be signed out by one of their Unit Leaders. A Scout will not be dismissed from camp until one of his Unit Leaders sign him out in the Administration Building. This process lets the Unit and the Camp know WHO picked up the Scout and when the Scout left camp. Our Unit Leaders know the individual situations of each of the Scouts in their care and we depend on them to assist us in this very important area. Other than in a sudden emergency, your Unit Leaders should know about the departure in advance and should have your son ready to be picked up at the time you have requested. Upon his return, your Scout must check back in at the Administration Building and will be returned to the care of his Unit Leader. Special instructions or limitations must be presented to the camp director in writing.

All visitors during the week (excluding during Sunday check-in and Friday closing activities) must check in at the Administration Building and receive a Visitor badge which must be returned upon check out and departure. In the event of a home emergency, please contact your Scout by calling the Administration Building. Please do not contact or remove your Scout from camp without notifying the Administration Building!

CAMP OFFICE/EMERGENCY NUMBER: (978) 779-2777

All serious medical emergencies will be treated at the UMass Marlboro Hospital and parents/guardians will immediately be notified by the Health Officer, Camp Director, or his designee.

Telephone

Camp Resolute's phone number for incoming calls is (978) 779-2777. Please keep in mind that this is primarily a business phone, for the use of the camp administration. Non-emergency messages will be taken and delivered to the Scout's Unit Leader at the next mealtime. Scouts are strongly discouraged from phone use, and must have a note from their Scoutmaster to place a call. Outgoing calls must be made collect or with a calling card. Please do not send cellular phones to camp.

Mailing Address

Parents can send mail to their Scout while he is at camp, it is recommended to send mail early in the week or even prior to the week to make sure it arrives in camp prior to the Scout's departure on Friday. Send mail to:

Your Scout's Name
Scout's Troop # and Town/Campsite

Medical Forms

Every adult and Scout in camp MUST have a completely filled out medical form on file in the Health Lodge in order to stay at Camp Resolute. All participants must have a physical exam every year. All medical forms must be

retained by camp, so please make any copies you might need for other activities. Your physician must sign the camp medical form – no signed attachments will be accepted. Make certain that both the parent's signature and physician's signature sections are filled out and a copy of the health insurance card is attached to the form. Every person, youth and adult, attending camp must also complete the immunization history. Units with Christian Scientist members will need to provide a special medical form, located at campresolute.org, pertaining to their faith's medical policies.

*Upon arrival in camp, the Health Officer will perform a medical recheck and collect all prescribed medications. (Bee sting kits and asthma inhalers may be kept at the site or with the Scout if necessary.) Medications must be in their original containers with a valid/current prescription label that bears the name of the drug, the dosage, the name of the prescribing physician, and the name of the individual for whom the drug was prescribed. This information must also be on the camp physical form. Containers with more than one drug, or improper labeling, will NOT be accepted. The health officer will then dispense medications as prescribed. **These requirements are mandated by law for camps. This applies to all youth AND adults.***

Allergies

Please ensure that the adult leadership going to camp has familiarized themselves with your Scout's medical form. Camp leaders must be familiar with any allergies or special health conditions. Ensure that they are marked clearly on each Scout's medical form.

Special Requirements Including Diet

If your son has special requirements that you would like to discuss privately with the Health Officer please notify us as soon as possible and we will work with you on any concerns you may have regarding your son's stay at camp.

The menus at camp are well balanced meals approved by a dietician. We will also work with you to address any reasonable dietary restrictions and/or food allergies. Please make sure that these are indicated on his health form and are shared with the Unit Leader.

Alcohol & Drugs

Alcoholic beverages, illegal drugs or illegal use of prescription drugs are not permitted in camp. Anyone found to be in possession of or under the influence of such will be asked to leave camp. Legal prescription drugs must be stored at the Health Lodge.

Firearms/Archery Equipment

Personal .22 rifles, handguns and archery equipment are not permitted in camp. Please leave them at home.

Other Prohibited Items

In addition to items outlined above, the following items are prohibited in camp: sheath knives, aerosol bug spray, pets, fireworks, and chain saws.

Insects & Animals

There are insects such as mosquitoes at camp. We encourage Scouts to bring non-aerosol bug spray and long clothes to wear in the evenings. There are also small animals such as squirrels, raccoons, etc. and we discourage Scouts from keeping any food items at all in their tents. Talk to your Unit Leader about care packages or snacks prior to your arrival at camp.

Photographs

A photo of your Scout's troop is a great souvenir of camp! These color 8" x 10" troop photos will be taken on Sunday before retreat. Please see your Unit Leader for ordering details. Photos cost \$10.00.

Pocket Money and Other Costs at Camp

It is recommended that a Scout bring pocket money to camp to use for merit badge or program materials and for purchases at the Trading Post. A Scout should consult with his Unit Leaders to determine what materials are needed for selected merit badges and how much money will be needed. Refer to the appropriate Merit Badge Book or ask one of your Unit Leaders for advice.

Trading Post

Camp Resolute's Trading Post maintains a well-stocked camp store to serve everyone who is staying, or just visiting in camp. Items include

Scouting literature, Merit Badge Books, mosquito nets, camp t-shirts, hats, patches, mugs, cold drinks, snacks, and program materials such as basket kits, seat kits, craft kits, and gimp required for completion of certain merit badges.

Lost and Found

Lost and found will be maintained in the Administration Building. Please check through it on your way out of camp and reclaim your Scout's "treasures." We can not be responsible for items lost or stolen at camp. We cannot keep lost items for the entire summer. Please contact the camp as soon as possible in regard to lost items.

Uniforms

The Official BSA field uniform is required to be worn by all Scouts and adults during the evening meal, flag ceremonies, formal retreats, and Troop photographs. This consists of a BSA cap, a Scout shirt (short or long sleeved), trousers or shorts socks, a belt and shoes. Neckerchiefs are optional. Order of the Arrow members are encouraged to bring their sash for the weekly OA day.

A Scout is Reverent

Camp Resolute offers a weekly Scout's Own vespers service which is open to all Scouts and leaders. We also provide a chapel for quiet reflection.

Showers

There are two shower houses for Scouts at camp. There is plenty of hot water and opportunity for Scouts to maintain good personal hygiene during their stay in camp. Each campsite is also equipped

with a latrine and hand washing facilities. A Scout is clean.

Extra Weeks at Camp

Do you have a Scout who wants to stay longer than his Troop, wants to earn additional merit badges, or isn't able to go with your troop to a high adventure camp? Suggest Provisional Camping to him! We will introduce your son to Troop 244, the camp troop, who will include him in their activities during the week!

Visitor's Day and Chicken B.B.Q

Friday evening is for parents and visitors. Parents and visitors (please leave pets at home) are invited to the camp after 2:00 p.m., but should plan to arrive no later than 6:00 p.m. to share the Friday evening experiences with their Scout. Parents are invited and encouraged to attend the chicken barbecue and the evening campfire. This is where your Scout gets a chance to have fun, show off some of the songs he has learned during the week, and possibly receive some well earned recognition for his or his troop's efforts. We invite you to join us at 6:30 p.m. on Friday for our chicken barbecue. You may purchase your tickets from your Unit Leader, or if he or she prefers, directly from the camp on Sunday. Tickets are sold at the Trading Post. All parents and family members are encouraged to attend. Your Scout will be glad to see you and share his experiences with you. Scouts and leaders in camp are free.

COST: \$7.00 for Adults, \$5.00 for children 5 to 10 years old and under 4 years old are free.

Advancement

Camp Resolute offers a wide variety of merit badges that fit the needs of all Scouts regardless of rank or experience. Once you decide which badges to take, you should obtain a current copy of the merit badge book for each badge. Merit badge books are available at our camp's Trading Post. Be sure that you read the requirements of the badge and complete any pre-camp requirements. The list of these pre-camp requirements is on the next page. You may need a note from your Scoutmaster stating that you have met your pre-camp requirements. If, for any reason, you don't complete all the requirements for a badge during your week at camp, you will receive a partial for

that badge. This partial can be completed any time up to your eighteenth birthday.

Special arrangements can be made for additional merit badges not listed in the camp program guide. If you have an interest in a specific badge that is not regularly offered and we have the counselor and resources available we will work with you to try to meet your interest. Please make sure that you talk to the program director prior to your arrival at camp.

Furnishing Child 15 or older with Rifle, Shotgun and Ammunition

Annual Health and Medical Record

(Valid for 12 calendar months)

Medical Information

The Boy Scouts of America recommends that all youth and adult members have annual medical evaluations by a certified and licensed health-care provider. In an effort to provide better care to those who may become ill or injured and to provide youth members and adult leaders a better understanding of their own physical capabilities, the Boy Scouts of America has established minimum standards for providing medical information prior to participating in various activities. Those standards are offered below in one three-part medical form. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and C are to be completed annually **by all BSA unit members**. Both parts are required for all events that do not exceed 72 consecutive hours, where the level of activity is similar to that normally expended at home or at school, such as day camp, day hikes, swimming parties, or an overnight camp, and where medical care is readily available. Medical information required includes a current health history and list of medications. Part C also includes the parental informed consent and hold harmless/release agreement (with an area for notarization if required by your state) as well as a talent release statement. Adult unit leaders should review participants' health histories and become knowledgeable about the medical needs of the youth members in their unit. This form is to be filled out by participants and parents or guardians and kept on file for easy reference.

Part B is required with parts A and C for any event that exceeds 72 consecutive hours, a resident camp setting, or when the nature of the activity is strenuous and demanding, such as service projects, work weekends, or high-adventure treks. It is to be completed and signed by a certified and licensed health-care provider—physician (MD, DO), nurse practitioner, or physician's assistant as appropriate for your state. The level of activity ranges from what is normally expended at home or at school to strenuous activity such as hiking and backpacking. Other examples include tour camping, jamborees, and Wood Badge training courses. It is important to note that the height/weight chart must be strictly adhered to if the event will take the unit beyond a radius wherein emergency evacuation is more than 30 minutes by ground transportation, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

Risk Factors

Based on the vast experience of the medical community, the BSA has identified that the following risk factors may define your participation in various outdoor adventures.

- Excessive body weight
- Heart disease
- Hypertension (high blood pressure)
- Diabetes
- Seizures
- Lack of appropriate immunizations
- Asthma
- Sleep disorders
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological and emotional difficulties

For more information on medical risk factors, visit Scouting Safely on www.scouting.org.

Prescriptions

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed.
